Temperature sensitive discoloration:  
Rub the heat generating finger in the  
temperature sensitive area (candlelight),  
and the candlelight changes from red to yellow.

Fragrance perception:  
Lemons are usually yellow in color and sour,  
with a hint of astringency and sweetness in  
the sour taste!

Fragrance perception:  
The taste of strawberries allows babies to  
experience a slightly sour and sweet strawberry flavor.
